Dear Ravi Kumar,
Greetings from The Cancer Charity!

We sincerely thank you for your generous donation to The Cancer Charity.

The Cancer Charity stands for people affected by Cancer. Your care, love and empathy for the cause of cancer patients supports in providing them with medicines, care and food.

Most of our projects are in remote part of the country to serve those who don't have access to the basics. The support and commitment from people like you helps us imagine a world free from cancer and its suffering for all.

Our team of Doctors, Volunteers, Nurses and Caregivers take great pride in giving individualized attention to each person, with greatest respect for their dignity. All the activities like providing the Cancer patients with food, medicines, diagnostic tests and home-based care, wouldn't have been possible without your valuable support.

Once again, on behalf of hundreds of Cancer patients and the entire team of The Cancer Charity, I would like to express our greatest appreciation and gratitude for the keen interest in supporting the work with people affected by Cancer.

With loads of gratitude and salute to your generous support.

Kind Regards,

Rashmi Verma,
Managing Trustee,
The Cancer Charity
